## BIO

Rucker first achieved multi-Platinum status in the music industry as lead singer and rhythm guitarist of the GRAMMY Award-winning band Hootie & the Blowfish, who have sold more than 25 million albums worldwide including their Double Diamond-certified (21x Platinum) debut *Cracked Rear View*, which remains among the top 10 best-selling studio albums of all time. Since releasing his first Country album in 2008, Rucker has earned a whole new legion of fans with four No. 1 albums on the Billboard Country chart, including RIAA Platinum-certified *Learn to Live* and *True Believers*. In 2014, he won his third career GRAMMY Award for Best Solo Country Performance with his Diamond-certified (11x Platinum) version of “Wagon Wheel,” one of the top five best-selling Country songs of all time. He co-hosted the 54th annual CMA Awards in 2020 and topped the charts at Country radio once again with “Beers And Sunshine” in 2021. Rucker’s forthcoming album, *Carolyn’s Boy*, is set to release on October 6.
